

## MATERIALS QTY

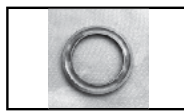

1 Post

1 Base

2 Panels

4 Washers

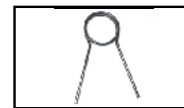

2 Ball Bearings

1 Pin

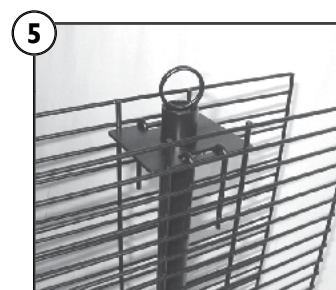

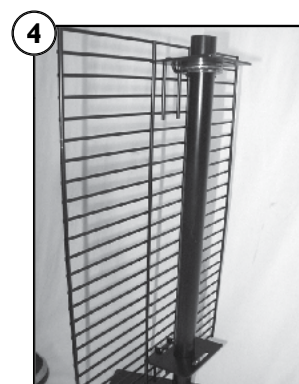

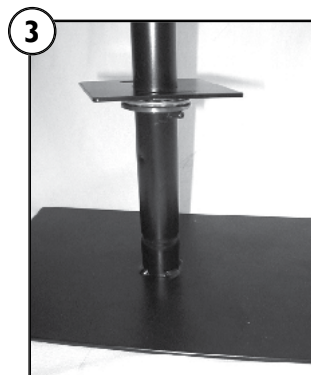

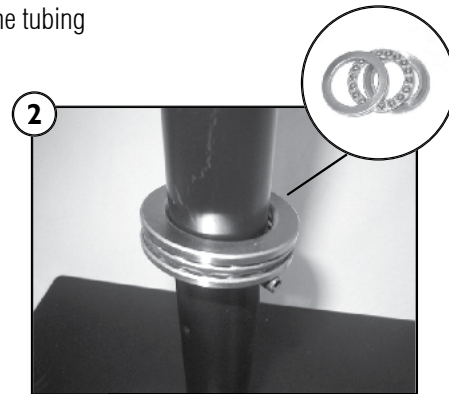

2 Spinner Plates

1 Sign Holder

1. Insert the post into the base with the pin closest to the base
2. Slide on two of the washers and one of the ball bearings to the post to rest on the pin. The ball bearing goes in the middle.
3. Place on one of the plates on top
4. Insert the pin into the hole of the post
5. Slide on the remainder of the two washers and the bearing
6. Place the second plate on top
7. Hook both panels onto the plates
8. Insert the sign holder into the tubing
