PARTS LIST

ID	DESCRIPTION	QTY
A	Slatgrid Panel	4
B	Short Post	1
C	Long Post	1
D	Square Base	1
E	Pin (no pin on 2208)	2
F	Grooved Disk	4
G	Bearing Disk	2
H	Square Panel Hanger	2
J	Grid Clips	12
K	Sign Holder	1

1) Attach the Long Post (C) into the top of Square Base (D) with the screws provided.
2) Insert Pin (E) through holes in between rings at the top of the Square Base (Pins not required on 2208) (D).
3) Insert the Short Post (B) into the top of the Long Post (C) and turn counterclockwise to secure.
4) Insert Pin (E) through holes at the bottom of the long Post (Pins not required on 220) (C).
5) Place a Grooved Disk (F), a Bearing Disk (G), and then another Grooved Disk (F), through the Long Post (C) until they rest on the Pin (Pins not required on 2208) (E).
6) Place Square Panel Hanger (H) on top of the Disks (F-G).
7) Repeat steps 5-7 at top of the Short Post (B).
8) Take Slatgrid Panels (A) and place in pinwheel format as shown.
9) Connect Slatgrid Panels (A) with Grid Clips (J) as needed to secure.
10) Insert Sign Holder (K) into the top of Long Post (C).
